Subject: Request for pre-draft WA federal dam permits

Hi Dan,

I'm sorry for the delay in getting back to you. I wanted to let you know we're still working internally on next steps related to requests for the pre-draft permits for WA federal dams. I have your name down on my list to contact as soon as we make decisions. If you have additional questions, feel free to call me at 206-553-6328.
